**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2010**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

This general purpose financial report has been drawn up in accordance with Australian Accounting Standards, including Australian Accounting Interpretations, and other authoritative pronouncements of the Australian Accounting Standards Board. Australian Accounting Standards include Australian equivalents to International Financial Reporting Standards (AIFRSs).

It is prepared on an accruals basis in accordance with the historical cost convention, except for certain assets that, as noted, are at valuation. The accounting policies adopted are consistent with those of the previous financial year. Comparative information is reclassified where appropriate to enhance comparability.

Australian Accounting Standards include Australian equivalents to International Financial Reporting Standards (AIFRSs). The financial report of the Catchers Trust complies with all AIFRSs.

(b) Principles of Consolidation

The consolidated accounts incorporate the assets and liabilities of all entities controlled by the Catchers Trust ("parent entity") as at 30 June 2010 and the results of all controlled entities for the year then ended. The Catchers Trust and its controlled entities together are referred to in its financial report as the economic entity. The effects of all transactions between entities in the economic entity are eliminated in full.

(c) Income tax

The Trust does not pay income tax. Taxable income is fully distributed to Unit Holders each year.

(d) Cash

For the purposes of the statement of cash flows, cash includes deposits at call which are readily convertible to cash on hand and which are used in the cash management function on a day-to day basis, net of outstanding bank overdrafts.

(e) Recoverable amount of non-current assets

In determining the recoverable amount of non-current assets, expected net cash flows have not been discounted to their present values.

(f) Trade and Other Creditors

These amounts represent liabilities for goods and services provided to the economic entity prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

9. SEGMENT INFORMATION

During the year ended 30 June 2010, the entity derived revenue wholly from operations within Australia and operated in one industry segment, being investment in Sydney Fish Market.

10 - FINANCIAL RISK MANAGEMENT

The Trust's financial instruments consist mainly of deposits with banks, accounts receivable and payables. The Trust does not use derivative financial instruments.

(a) Market Risk

The Trust has no exposure to foreign exchange risk or commodity price risk as it does not deal in foreign currencies or commodities.

(b) Credit Risk

The Trust does not have any material credit risk exposure to any receivable.

(c) Liquidity Risk

The Trust manages liquidity risk by monitoring cash flows and ensuring that adequate cash balances are maintained.

(d) Cash Flow & Fair Value Interest Rate Risk

As the Trust has no significant interest-bearing assets, the Trust's income and operating cash flows are not materially exposed to changes in market interest rates.

HELP US HELP YOU

Have you left the industry or ceased to be a licensed fisherman?

Help us keep our records up to date

If you leave the industry, please let us know. SFM sales up to the time of leaving will still be taken into account.

Call or email the Secretary to notify us if you leave the industry.

Your SFM Supplier Code - do you have a new or changed code?

It can cost you if you don't let us know if you have a new or changed supplier code.

If we don't know your SFM supplier code, then you might not get credit for your product sold at SFM.

It only takes a moment to call, email or send a note to the Secretary.

Payment by Direct Credit

The Trust makes distribution payments to Unit Holders by direct credit to their bank account. But there are still Unit Holders that haven't given us their bank account details.

We've got a form for you to notify us about your bank account details (for security reasons, we don't accept bank account info over the phone).

You can download the form (it's called "Direct Credit Authority") from the website or email/call the Secretary for a copy.

Send me no paper

Save trees and save money for the Trust at the same time.

You can also elect to receive your Annual Report and Annual Distribution Statement by email instead of by post. The saving to the Trust is well over \$2.00 per Unit Holder.

We've got a form for you to notify us about getting your Report by email - its called "Sendmenopaper"
You can download the form from the website or call/email the Secretary for a copy.

Do you have a Unit in the Trust?

Any NSW licensed fisherman or aquaculturist is entitled to a unit in the Trust.

A unit is free - but there is no tie-in with Fisheries or SFM. If you want a unit then you have to apply direct to the Trust.

We've got an application form - it's called "Application for a Unit". You can download the form from the website or call/email the Secretary for a copy.

Our website - www.catcherstrust.com.au

We've set up a website to provide service to Unit Holders.

You can download any of our forms; you can also get an archived copy of our Annual Reports.

We've also got some information about the Trust including some frequently asked questions.

**DECLARATION BY DIRECTORS OF THE TRUSTEE
NSW FISHERMEN'S COMPANY PTY LIMITED**

In the opinion of the directors of the trustee:

(a) the accompanying financial statements and notes give a true and fair view of the trust's and the economic entity's financial position as at 30 June 2010 and their performance for the financial year ended on that date as represented by their results and cashflows; and

(b) at the date of this statement, there are reasonable grounds to believe that the trust will be able to pay its debts as and when they fall due.

Signed in accordance with a resolution of the directors of the NSW Fishermen's Company Pty Limited

Director
WD Baker

**INDEPENDENT AUDITORS' REPORT
TO THE UNIT HOLDERS OF
CATCHERS TRUST**

Report on the Financial Report

We have audited the accompanying financial report of Catchers Trust, which comprises the balance sheet at 30 June 2010, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' responsibility for the Financial Report

The directors of NSW Fishermen's Company Pty Limited, the trustee of the Trust, are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations). This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF
N.S.W. FISHERMEN'S HOLDING COMPANY PTY LIMITED
A.C.N. 065 745 575**

Report on the Financial Report

We have audited the accompanying financial report of N.S.W. Fishermen's Holding Company Pty Limited, which comprises the balance sheet at 30 June 2010, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' responsibility for the Financial Report

The directors are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
